EXECUTIVE

FIRE-RESISTANT DOCUMENT PROTECTION

KEY FEATURES

- Fire can strike anywhere – the office or the home. Executive Cabinets provide peace of mind: in the event of a fire breaking out, you can be sure that your paper work can be recovered in a usable condition.
- Ideal for storing essential documents such as wills, property deeds, contracts, insurance policies and many more.
- Certified by both SP (NT Fire 017 – 60 Paper) and UL (UL Class 350 1hr) for 60 minutes' fire resistance.
- Overall body thickness of 50mm, comprising an inner and outer steel body containing a specially formulated fire-resistant solid barrier material.
- Overall door thickness of 66mm.
- Models come with a choice of two lock options – A cylinder lock utilising a secure flat profile key.
- Programmable and user-friendly electronic lock.
- An anchoring kit is supplied which allows the safe to be securely base-fixed, preventing unauthorised removal.
- Comes with internal fittings as standard, meaning that the unit is ready for use as soon as it is received.
